Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All forward-looking statements, including, without limitation, statements about the completion and timing of the offering, the offering size and the grant of the option to the underwriters to purchase additional shares, are based on management's current assumptions and expectations and involve risks, uncertainties and other important factors. Actual results or developments may differ materially from those projected or implied in these forward-looking statements. Factors that may cause such a difference include, without limitation, risks and uncertainties related to whether or not Revance will be able to raise capital through the sale of shares of common stock, the final terms of the proposed offering, prevailing market and other conditions, the satisfaction of customary closing conditions related to the proposed public offering and the impact of general economic, industry or political conditions in the United States or internationally. There can be no assurance that Revance will be able to complete the proposed public offering on the anticipated terms, or at all. Revance will need to raise additional capital to fund its operations and may be unable to raise capital when needed, which would force Revance to delay, reduce or eliminate its product development programs or commercialization efforts. You should not place undue reliance on these forward-looking statements, which apply only as of the date of this press release. Additional risks and uncertainties relating to the proposed offering, Revance and its business can be found under the heading "Risk Factors" in documents Revance files from time to time with the Securities and Exchange Commission, including its annual report on Form 10-K for the year ended December 31, 2021, quarterly reports on Form 10-Q for the quarters ended March 31, 2022 and June 30, 2022, the preliminary prospectus supplement relating to this offering and its future periodic reports to be filed with the Securities and Exchange Commission. Revance expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in its expectations with regard thereto or any change in events, conditions or circumstances on which any such statements are based.
